Soft Skills: Excellent communication and collaboration skills, Strong problem solving and debugging skills, Creative and Entrepreneurial mindset

PROJECTS

Personal Portfolio Website | React.js, Framer motion, GSAP

- Developed a responsive portfolio using ReactJS, integrating GSAP and Framer Motion for unique animations. Designed the UI/UX to ensure an aesthetically appealing and effective layout.
- Optimized for performance and scalability, achieving a 30% decrease in initial page load times.
- Resulted in a reach of 500+ people on LinkedIn, showcasing the impact and visibility of the project.
- [Visit site here](#)

Token Master DApp | Solidity, Ethereum, React.js

- Developed TokenMaster, a blockchain-based DApp for event ticketing using Solidity and Ethereum.
- Implemented secure smart contracts for transparent ticket transactions.
- Designed intuitive frontend with React.js for enhanced user interaction.
- Innovated by transforming event tickets into Non-Fungible Tokens (NFTs) for enhanced security and decentralization.
- [Visit site here](#)

Norse Ecommerce Platform | React.js, SCSS, Strapi, Redux

- Led UI/UX design for the Norse ecommerce platform, emphasizing modern aesthetics and ensuring full responsiveness.
- Implemented website optimizations using React hooks and tools, achieving SEO enhancements, improved scalability, and faster page loads.

- Developed a robust backend on Strapi, optimizing CMS and APIs for dynamic content management.

EDUCATION

BTech, Computer Science

2021-2025

GPA : 8.0

Bennett University

Greater Noida

Rukmani Birla Modern High School

2011-2021

XII - 87%

X – 93%

Jaipur

ACHIEVEMENTS / VOLUNTEER WORK

- **Entrepreneurial Success:** Founded “Therapuppy” in Jaipur, generating ₹10,000 in 3 days with zero investment. Built the Therapuppy website using Next.js, demonstrating initiative and business acumen.
- [Visit therapuppy website here](#)
- **Client Reach:** Expanded Therapuppy’s reach to serve 150+ individuals seeking stress relief. Demonstrated effective marketing and client management skills. Received a verbal mention via our dean.
- **Project Recognition:** Developed MIXTURE (a decentralized music streaming platform) in 24 hours, selected for project fair. Demonstrated innovation, technical expertise, and ability to deliver under pressure.
- **Volunteered at Jagriti Foundation, Jaipur,** spearheading initiatives to upskill underprivileged children, resulting in enhanced growth opportunities. Received a certificate and verbal commendation from the chief guest, showcasing empathy and commitment to community service.
